

Curriculum Vitae

Personal Data:

Name: Shatha Farouk Abdullah

Nationality: Iraqi

Sex: female

Date and Place of birth: 1968 Basrah – Iraq

Marital status:

Married

Language skills: Arabic (mother language)

English (speaking - writing and reading)

Address: Baghdad-Iraq

E-Mail Address: shthabdullah @ yahoo .com

shthabdullah2013@gmail.com

Mobile:

07901523213

Education:

1. 1986-1992 University of Basrah –Iraq, College of Medicine

(M.B.Ch.B.) Degree with grade good (the graduation average was (71.44) on 27th June 1992.

2. 1997-2000 University of Baghdad –Iraq, College of Medicine (M.Sc.) in Medical Microbiology with grade good which is marked (79.8) on 26th June 2000.

Thesis entitled (*Prevalence of TORCH Agents in Complicated Pregnancies*).

3. 2003-2007 University of Baghdad –Iraq ,College of Medicine, degree of fellowship of The Iraqi Board for medical Specializations in Pathology / Medical Microbiology and Immunology with grade very good which is marked(83.4) on 15th January 2007.

Thesis entitled (*Detection of human cytomegalovirus in malignant gliomas by in situ hybridization technique*).

Professional Experience:

1. 1992-1994 I was trained in following hospitals :

a - Department of Medicine- 6 months in Basrah Teaching Hospital.

b - Department of Surgery – 9 months in Basrah Teaching Hospital.

c - Gynecology and Obstetrics -3 months in Ibn-Ghazwan Hospital.

d - Pediatrics – 3 months in Ibn- Ghazwan Hospital.

2. 1994 – Department of Microbiology – University of Baghdad (training for 3 years).

3. 1994 - 1997 I worked in Al - Karkh Private Hospital as permanent in the Gynecology and Obstetrics Department.

4. 1997- 2000 postgraduate student in medical microbiology.

5. 2000 - Staff Member of Medical College-Microbiology for 3rd year students as assistant lecturer.

6. 2000-I was participated in the educational qualifying course from 11th November to 14th December 2000 in Baghdad University/Center of Developing Method of Teaching and University Staff Training. I was the first one in graduation in this participation.

7. 2000- 2011 Member of Examining Committees in the Department of Microbiology.

8. 2003-2007 post graduate student in Pathology/Medical Microbiology –Molecular Virology.

9. I was trained in the following laboratories:

A- 2003-2004 Baghdad Teaching Laboratories and Health Laboratories Center including the following departments:

i. department of Serology.

ii. department of Bacteriology.

iii. department of communicable disease control.

iiii. department of virology.

B- 2004- 2005 Pathology Department/Molecular Laboratory.

C- 2005- 2006 Advanced courses in medical microbiology/virology.

10. 2007-2010 Lecturer in Medical Virology at the dept. of microbiology /College of Medicine University of Baghdad for 3rd year students, MSc. postgraduate students (including theoretical and practical lectures) and for PhD postgraduate students (advanced molecular virology/practical).

11. 2010-Assistant professor in Medical Virology at the dept. of microbiology /College of Medicine University of Baghdad for 3rd year students and postgraduate students including:

a- MSc. & PhD in medical microbiology/ dept. of Microbiology, College of Medicine, University of Baghdad.

b- Iraqi Board students of (pathology-Medical Microbiology and clinical Immunology) as well, Iraqi Board students of (ophthalmology).

c- Diploma students in Obstetrics and Gynecology **d-** Diploma students in respiratory diseases.

d- Diploma students in transfusion Medicine

e- Arab Board students of (pathology-Medical Microbiology and clinical Immunology)

12. 2011-2019 Coordinator of the postgraduate committee at the Department of Microbiology.

Published Papers:

- 1. Prevalence of TORCH Agents in Complicated Pregnancies**
Iraqi Journal of Medical Sciences. 2003 vol.2 (supp 3)14-20.
- 2. Herpes Simplex Virus in women with history of abortion: A cause to be searched for.** *Journal of the Faculty of Medicine/ Baghdad*. 2003 vol. 45 no.3-4.
- 3. Detection of human cytomegalovirus in malignant gliomas by in situ hybridization technique.** *Journal of the Faculty of Medicine*.2007
- 4. Hepatitis G virus infection in Iraqi patients with chronic liver diseases.** *J. of Faculty of Med*.2010;52(2)
- 5. Silent herpes virus infections in women with preterm premature rupture membranes .** *J. of Faculty of Med*.2009
- 6. Role of interleukin-1 and tumor necrosis factor in pathogenesis of rheumatoid arthritis.** *J. of post graduate*.2010
- 7. Hepatitis G virus infection among Iraqi patients on maintenance hemodialysis.** *J. of Faculty of Med*. 2013 .
- 8. Serological and Molecular detection of Parvovirus B19 in children with acute lymphoblastic leukemia** *J. of Faculty of Med*. 2014 .
- 10. Serum level of Periostin Among Adult Asthmatic Patients.**
Research J. Pharm. and Tech. 13(7): July 2020.
- 11. Correlation of Prostaglandin-D2 with disease severity of adult Asthma.** *J Fac Med Baghdad*. Vol.61 No.3,4, 2019.
- 12. SARS-CoV-2: A Piece of Bad News.** *Medeniyet Med J*. 2020;35:151-60.
- 13. Serum Glial Fibrillary Acidic Protein: A Surrogate Marker of the Activity of Multiple Sclerosis.** *Medeni Med J*. 2020;35:212-8.

14. Serodiagnosis of Human Herpesvirus-8 among Iraqi Blood Donors European Journal of Molecular & Clinical Medicine, 2020;7(2): 69-74.

15. Molecular Detection and Genotyping of Human Herpes Virus 8 in a sample of Iraqi Blood Donors. Research J. Pharm. and Tech. 2021; 14(8): 4047-52.

Membership

- 1. Fellowship (Iraqi Council for medical specialization)**
- 2. Membership (physician Society)**
- 3. Membership (epidemic influenza virus infection/Ministry of Higher Education)**
- 4. Membership (Viral Hepatitis Control in Iraq/Ministry of Health)**
- 5. Membership (Medical Education Unit/ College of Medicine- Baghdad University)**
- 6. Membership (Medical College Accreditation- College of Medicine- Baghdad University)**
- 7. Membership (Committee of scientific promotions) from 2015-2019**
- 8. Membership (Scientific Committee of Microbiology/ Virology in Arab board for medical specialization-pathology from 2019-2022.**

Postgraduate Students Supervision:

- 1-2011-2012 MSc. Thesis: Immunological and Virological study of Hepatitis G virus co-infected with Hepatitis C virus in hemodialysis patients.**
- 2-2012-2013 MSc Thesis: Parvovirus B19 associated aplastic crisis in children with Acute lymphoblastic leukemia.**
- 3- 2012-2013 Iraqi Board for medical specialization: Serodiagnosis of Human Herpes Virus -8 in women with breast cancer.**

4-2017-2019 PhD Thesis: The Role of IL-33 Gene Polymorphism and Serum Levels of (IL-33, Periostin and Prostaglandin –D2) in Bronchial Asthma.

5- 2018-2020 PhD Thesis :Serodiagnosis,molecular detection and genotyping of Human Herpesvirus-8 in Iraqi blood donors

6-2019- PhD thesis Study the Association of Hepatitis B Viral Core Mutations and Genotypes with Different Stages of Chronic Hepatitis B Virus Infections.

7- 2020-2021 Iraqi Board for medical specialization: Serological detection of Human T- lymphotropic virus in Iraqi blood donors

National Conferences:

1. The first national conference for internal medicine &the 12th scientific annual conference of the college of medicine 21-23 Nov.2000.Baghdad, Iraq.

2. The thirty- sixth Iraqi medical conference. 13-15 Feb. 2001. Baghdad, Iraq.

3. All medical college conferences /University Of Baghdad from 2000-2021 as participant or listener.

4. Laboratory Day Conference of Medical City-Laboratory Dept. Baghdad Medical City, Iraq.3rd May 2013.

5. International Erbil International Obgyn Conference in May 2019 (Updates in Managements of HBV In Pregnancy) speaker.

Medical Education Activities:

1. Member of preclinical Committee for studying and application of system integrated learning 2011-2012.

- 2. Medical Education Workshop/ Standardization of Student's assessment/ 17th May 2012. College of Medicine - University of Baghdad. Iraq.**
- 3. Medical Education Workshop/ British Council, TIPS/TACS course: Erbil, Iraq, 18th & 19th October. 2012 .(by Prof. Rej Dennick/Head of Medical Education Unit/College of Medicine- University of Nottingham.**
- 4. Medical Education Workshop / New curriculum development in College of Medicine-University of Baghdad, Iraq (by Prof. Nigel D S Bax/Dean of College of Medicine/University of Sheffield).**
- 5. Faculty Member Training and Development. College of Medicine-University of Baghdad. Iraq**
 - a- 7th -8th Dec.2013**
 - b- 19th -21st Feb.2013**
 - c- 12th -14th March 2013**
 - d- 25th -27th March 2013**
- 6. Medical Education Workshop / Learning Objectives/ College of Medicine-University of Baghdad. Iraq. 28th -29th April 2013.**
- 7. Assessment and Integrated Learning Activity Workshop. College of Medicine-University of Baghdad, Iraq. 27th Nov. -1st Dec.2013.(by Prof. Nigel D S Bax/Dean of College of Medicine/University of Sheffield).**
- 8. Assessment and Integrated Learning Activity Workshops (MCQs constructions) /Medical Education Unit College of Medicine-University of Baghdad 2014-2017.**
- 8. Member of Student Survey Committee/ Medical Education Unit. 2013 & 2014.**
- 9. Member of New Curriculum Implementation, planning and monitoring Committee and student assessment Committee**

/Medical Education Unit. College of Medicine-University of Baghdad. 2013-2017.

10. Year three Director (Coordinator) of system integrated curriculum, Medical Education unit, College of Medicine-University of Baghdad from 2013-2021.

11-Infectious Diseases Module Moderator for 3rd year medical students, College of Medicine,University of Baghdad from 2013-2021.
