PERSONAL AND PROFESSIONAL ATTRIBUTES:

Wide based Experience:

Fourteen years experience in different pathological and cytological modalities including ten years of post graduate experience. It enables me to provide safe and high quality of histopathology and cytology services with the required level of reasonable confidence.

Teaching:

Twelve years experience in under graduate study of medical students in cytology, Haematology and Histopathology.

Management:

Ten years experience in management / administration of Histopathology
And cytology departments

Cultural Experience and Sensitivity:

Worked in two countries: Iraq 8 years, Yemen 6 years.

Patient's Safety:

I have strong beliefs in patient safety and protection in regards to clinical benefits versus side effects, complications and technical hazards.

Team Player:

I am a proactive self-motivated pathologist but I enjoy the work as a member of a team and learn more from my colleague's opinions.

Professional Computer applications:

Use of various software programs in Diagnostic pathology

.
